(3) 2224 √ 3864/L

From the chairman, C & T
Board, Bangalore
No T 188/47 & 5/12/47
Dt a report on the matter

4) The resolution passed by the Bangalore Trust Board on the representation of the Govt Hemal staff Association, Bangalore for the grant of sites to the members in the locality between Seshadripuram and Guttahally and near the Mysore Road at Shivaji Talkies, is submitted for personal orders with reference to Govt Order 243 Rev 12/12 Fin 12 (2) 47

7) The resolution of the City Improvement Trust Board dated 28/7/47 is for personal orders not very helpful for the solution of the problem of securing houses in Bangalore City. Something has to be done urgently & quickly to provide the people in need with

housing accommodation. There is time limit laid down for taking up the scheme in this area. It is necessary that immediate steps be taken as has been done in Bombay by starting to start a housing scheme according to a planned programme by with five years in advance. In this case with the advent of refugees, the situation is getting worse as houses which were formerly getting a rent of Rs 10 or 20 p.m. are now taken by 50 or 60 persons.

(5) I think the Chairman might be asked to keep the needs of these people in view & grant them suitable sites when Kankaupalya & other extensions are laid out. Acquiring of separate plots of lands in various places as project for, or forming separate lays outs solely for the sake of the menial staff might either be not feasible or it might involve much time & other inconveniences.

10) So the best solution appears to be to instruct the Chairman to earmark certain sites in the extensions that are unsuitable to be formed shortly for being granted to those applicants.

11) If approved the Chairman will be informed accordingly.

Minister
Finance & Trade)

12) The Chairman, T.B.D. will intimate what he proposes to do in the matter & he may be informed as above but if the T.B.D. has any alternative suggestion they may let us first know about it.

Rev. Secy

ABSTRACT

29/ Among other requests, important request is re providing Sites to the Menial Staff

Rev Secy) 30/ The Chairman & Secretaries may please discuss this matter with the Chairman to send his proposals thereon

11/5

575

31/ Submitted with reference to para 30 above

32/ A reply has since been received from the Chairman

Bangalore Trust Board and flagged N —

33) ~~There~~ The prayer of the Medical staff Association is that ~~they~~ the members of the Association may be granted sites in suitable areas particularly in the areas noted below, as otherwise it would be highly inconvenient if sites are allotted to them at places far off from the offices

places where sites are prayed for -

1) between Seshadripuram and Guttahalli for all offices Medical staff

2) near Mysore Road or Shivaji Talkies for Hospital Medical staff

34) The chairman says that while there is no exclusive layout for this class, I am trying

extensions that are being formed small plots of 30' x 50' are provided where no plots could be provided for this class. and it is also proposed that small plots of 30' x 20' for labour and middle classes are provided in the Housing area of the suburbs, and such of them who would like to have plots here can well be given

35) But the chairman is of opinion that if plots are formed as near the offices as possible, as prayed for by the Association, the acquisition costs would be so heavy, that it will be beyond their capacity to pay and that if you abandon the scheme, it will be possible to make small plots available at the rates at which they are capable of paying

36) But the Trust board is reported to have resolved to

from a layout in the area of Vijalakabal by treating the scheme as a group scheme instead of as a Trust Board scheme inorder to avoid all the procedure laid down in the Trust Board Act. It is said that plans and estimates with details & WS etc to be approved are under submission to govt.

37) It is also suggested by the chairman that cheap thatch houses as in Mysore or houses of such an other types and designs may be constructed thus particularly only after sites are granted to the menials.

38) In the above circumstances it is submitted that it is not clear from the report whether

the layout of Vyttilla as referred to at para 3 above, will be land out-exclusive for forming sites to the medical staff or not and how far this area is from the existing limits

3 g) As regards the sites to be formed in the existing area, the chairman says that though small sites have been formed in Malleswaram and Sheshadripuram, the rate will be Rs 4 or Rs 5/- per sq yd having regard to the importance of the locality, cost of a quarter etc

4 a) In the light of the report and received, the points for consideration are -

1) whether the Trust Board may be asked to reserve certain sites in the Ramakrishnapalya extension,

2) whether the Trust Board

0113 ✓ 6611 ✓ 6641 ✓ 6826 ✓ 6856/ml

may also be requested to form sites in the adj limits, the schemes being subsidised by the govt in order to make small sites available at cheaper rates,

3) whether the area of Vyalikaval to be developed may be exclusively set apart for granting sites to the menial staff

4) submitted for orders with reference to paras 12 & 30 supra.

4) The report received from the Chairman C I T B Bangalore is for perusal

4) Heros already been informed that he should earmark certain sites in the extension to be formed shortly by the Board for being granted to the

applicants

(44) In order to provide cheaper sites of smaller dimensions for the members of the Mysore Govt Menial Staff Association, the Chairman suggests the layingout of the area near Vyalikaval as a Govt scheme, the same being entrusted to the Board, after acquiring the lands under sec 17 of the L.A. Act. He adds that plans & estimates with details of S.Rs etc are being prepared & would be sent to the Govt. He states that the lowest rate for such sites will be not less than Rs 4 per sq yard in Kumarakrupa & the industrial suburb housing area. But if sites are formed in the Vyalikaval area - with the Govt subsidy -, smaller sites which can be owned by poor people can be formed.

(45) This is the alternative which the Chairman has suggested as called for in para 12. It may perhaps be approved, as the area is near to the Secretariat & other Govt offices than

50) submitted

This relates to the proposal
of the ~~Trust~~ Bangalore City
Improvement Trust Board to form
a layout in the Vyalikaval area
for the benefit of the ministerial
staff of the Govt. Depts. Vide orders of the
Minister for Finance & Industries
at para 47 supra

51) The area proposed for the
layout is about 76 ✓ acres, comprised
of mostly ✓ lands belonging to
Vyalikaval and Tank Ranganathy
villages the total cost of the
scheme is estimated at
Rs 7, 77, 76✓/- This estimate
includes provisions towards the
cost of acquisition, the layout
changes, water supply changes

Vide para 12 of letter dt 19/10/48 - flg T

para 19 of letter dt 19/10/48 - flg T

para 14 of letter dt 19/10/48 - flg T

and charges for laying sewer lines

~~outside the Municipal area~~

52) It is seen from the report that 33 gunthas of palace garden lands are proposed to be acquired for continuing the 80' main road to join Salem – Bellary Road near the waste weir of the Sankey's reservoir – Vide para 16 of the Report dt 19-10-48 (flg T)

53) Provision is made to form 468 building sites of 30' x 45', 66 building sites of 45' x 90' and 116 shop sites of 10' x 20' apart from the spaces reserved for markets, parks, ~~etc~~ playgrounds and schools } Letter dt 19/10/48 Vide para 12 + 13 – flg T

2/88 (c) 534

54) There is no indication as to ~~the~~ the price at which, the sites to be formed will be disposed of but the total realisation by the sale of sites is expected to be Rs 8,66,736/- as against the estimated cost of Rs 7,77,740/- resulting in a profit of Rs 88,996/- – Vide letter dt 19/10/48 – flg T (para 19)

55) At para 21 of the report of 19/10/48, it is stated that the cost of the schemes

flg T

will be met out of a special grant to be given under "30 grants for public improvements" The chairman therefore requests sanction for the grant of an additional sum of Rs 2 lakhs during the current year out of the state funds - vide para 23 of this report dt 19/10/48 - flagged T

56) In this connection, it is submitted that during the current year, the following provisions are made in the state budget, to the Trust Board.-

a) A sum of Rs 25 lakhs under "30 grants for public improvements"

b) A sum of Rs 10 lakhs under "Advances" for taking up extension schemes

57) Though no provision is made towards the scheme in question in the budget estimates of the Trust Board for the year 48-49, out of the state grant of Rs 10 lakhs given to the Trust Board for extension purposes, the Trust Board may however be asked to meet the cost of the schemes out of this sum during the year, as there is no possibility of the entire sum

of Rs 10 Lakhs being spent during the end of this official year towards the other schemes.

58) In view of the urgency in the matter, it is proposed to treat this scheme as a going one and to acquire the properties required under section 17 of the Land Acquisition Act. This has been already approved by the Minister for Finance & Industries - vide orders at para 47 supra - and the chairman has already been intimated accordingly. No action is called for now on this proposal

59) But the declaration statements fly A received in this behalf have to be got published and the acquisition of properties referred to therein has also to be sanctioned. This may be approved

60) Another point for consideration is whether the proposal to acquire 33 gumtas of palace orchards referred to in para 16 of the chairman's report dt 19-10-68 x fly 1. may be approved, before the

palace authorities are consulted in the matter. In the declaration statements, there is no reference to these properties. It is, therefore, not clear whether this property will be taken over by mutual agreement or otherwise. This fact may perhaps be ascertained.

61) It is also submitted that the estimates received have to be got scrutinised by the C-E for R&B and that this proposal is a time consuming one.

62) As the procedure referred to at para 61 above, if followed up, will delay matters, the Chairman may perhaps be authorised to proceed with the preparation of properties, formation of roads, sites etc in this area, pending sanction to the general scheme, the cost being met out of the cost required during the year being met out of the provision of Rs 10 lakhs already made in the state budget for 1948-49. The chairman may however be requested to make out a case if the grant now made is found insufficient for the schemes.

3222/ctt

undertaken by the Trust Board /B

63) The proposals referred to at paras 57, 58, 60, 62(A) and (B) are submitted for orders

15/11 64) The above may be treated as a Govt scheme and the properties acquired under the provisions of Sec 17 of the L A Act

If this proposal is approved the declaration statement will be sent to the Director of Printing publishing for publication after completing the acquisition

65) Separate action will have to be taken in regard to the acquisition of 33 units of Palace land

66) The estimates will be got scrutinized by the Chief Engineer (Roads & Building) This may be done after authorising the Chairman to proceed with the formation of Lits, roads &c

67) The cost of the scheme is estimated at Rs 777,740 The expn for the present may be debited to the provn of

Rupees ten lakhs (Rs 4) made in the State Budget for works for the Layout of extensions. If any additional amount is required, the Chairman will be requested to apply for the same

68) This will have to be treated as Council matter, as it involves a heavy expenditure, to be met out of State funds in the first instance & recouped later on by the sale of sites.

69) The Finance dept will also have to be consulted

70) In the meanwhile, it is for Consideration if the Chairman may not be authorised to proceed with the Scheme in view of the urgency

Refer para 4)

5967/16/11

Nirmal for 15/11/60

71) I fully concur with all the proposals contained in paras 63 to 65 supra. It is better that this scheme is taken up as early as practicable and

Lay out in the Vyalikaval Area near city

32 22 nil (25)

Extensive areas for sites are formed for housing the the poor officials & members of the Municipal establishment also in this area along with sites The Home Minister expressed a desire the other day that he would inspect this area and give necessary instructions for speeding up the Scheme

Submitted to His Highness

100) I submit herewith, for the gracious approval of His Highness, a Final Note by the Minister for Finance and Industries regarding the scheme for the formation of a residential extension in Vyalikaval area, Bangalore City, by the Bangalore City Improvement Trust Board

K Chengalaraya Reddy.

CHIEF MINISTER
in charge of current duties of the Dewan

Bangalore,
14th April 1949.

Final note by the Minister for Finance and Industries

Subject — Scheme for the formation of a residential extension in Vyalikaval area, Bangalore City, by the Bangalore City Improvement Trust Board

---

These papers relate to the proposal to form a residential extensic in the Vyalikaval area for the benefit of the members of the menial staff of the Government Departments and for the Adikarnataka residents of Rajamahal Guttahalli in Bangalore

The area proposed to be acquired is about 76 9 acres and it comprises of lands belonging to Vyalikaval and Jodi Ranganathapur villages Thirty-three guntas of Palace garden lands at the place are also proposed to be acquired The total cost of the scheme is estimated at Rs 7,77,740/

In the proposed layout, provision is made for the formation of 468 building sites of 30' x 45' each, 66 building sites of 45' x 90' each and 116 shop sites of 10' x 20' each, apart from the space reserved for markets, parks, playgrounds and schools

A sum of Rs 8,66,736/- is expected to be realised from the sale of sites in this extension as against the estimated cost of Rs 7,77,740/-, resulting in an anticipated profit of Rs 88,996/-

In order to finance the scheme, a special grant of Rs 2 lakhs is asked for by the Trust Board during the year

Having regard to the urgency of forming residential extensions in Bangalore City on account of the scarcity of houses, it is considered necessary to sanction the following proposals of the Board:-

a) to take up the scheme in question as a Government one,

b) to acquire the properties required (except that of the Palace) under Section 17 of the Land Acquisition Act,

c) to take separate action in regard to the proposal to acquire the Palace properties,

d) to authorise the Chairman to proceed with the formation of roads,

(contd

sites, etc , in the layout, pending scrutiny of the estimates by the Chief Engineer for Roads and Buildings

As a sum of Rs 25 lakhs under "30 grants for Public Improvements" and a sum of Rs 10 lakhs under "Advances for the layout of extensions" have been allotted to the Trust Board in the Budget for the year 1948-49 it is decided that the amount required for the scheme during the year may be met out of the advance already granted to the Board

The question was considered at a meeting of the Council held on 23rd and 24th March 1949 and the scheme was approved

In pursuance of the Council decision, orders have been issued to the Chairman, Bangalore City Improvement Trust Board to take up and execute the scheme, pending general sanction thereto

I solicit the gracious approval of His Highness to the scheme and also for the action taken in this behalf

H C Dasappa

Minister for Finance and Industries

Bangalore,

Secretary to Government
Genl Department
with compliments
13/5/49
15-5-49.

102) Submitted

As per directions at paras 8 & 9 of the above, orders have been issued authorising the Chairman, City Improvement Trust Board, Bangalore, to take up and proceed with the work pertaining to the formation of a residential extension in the Vijaikaval area, Bangalore city - Vide this office letter dt 28-3-49 flagged N

103) Now the estimates received in this behalf have to be got sanctioned by the Chief Engineer for Roads and Buildings, before formal orders in detail are issued in the matter. This would take time & there would be delay To get back the file further opinion.

104) In the above circumstances, the file may be sent in the

General and Revenue Secretary

SECRETARY

Respected Sir,

We the members of the Managing Committee of the Mysore Government Menial Staff Association, Bangalore, beg to submit the following Resolutions passed on 24-9-1947 to your kind consideration and favourable orders

1 Whereas it has been found difficult to get suitable living accommodation at Bangalore a representation was made nearly two years back to the Chairman, City Improvement Trust Board to allot us sites in City area The Chairman has replied that he can allot the sites where we had suggested It would highly be inconvenient if the sites are allotted at far off places from the offices Therefore we most humbly request you to recommend our case and grant us the sites where we had suggested - "between Seshadripuram and Guttahalli for all Office Menial Staff and near Mysore Road or Shivaji Talkies for Hospital Menial Staff"

OFFICE OF THE MINISTER FOR EDUCATION & P. H.
Date. 22/10
No. 9456

As the menials are feeling great inconvenience and hardship in finding living quarters, we humbly beg of you to grant our requests as early as possible

For which act of kindness and timely help we shall ever remain grateful

No. S-188/47

OFFICE OF THE CHAIRMAN,
City Improvement Trust Board,
Dated, Bangalore, the 5th Decr. 1947.

To

SYED ABDUL ALEEM, Esq., B.A.,
Secretary to Government,
Revenue Department,
Bangalore.

Sir,

With reference to your Memo No.L.10594 dated 6-11-1947 forwarding for report a representation dated 16-10-1947 presented to the Dewan (copies submitted to the Minister for Public Health) by the members of the Mysore Government Menial Staff Association, requesting the grant of sites to the members of the Association in the locality between Seshadripuram and Guttahally and near the Mysore Road or Shivaji Talkies for Hospital Menial Staff, I have the honour to state that on a copy of the similar representation received in this Office on 20-7-1947 it was placed before the Board at its meeting held on 28-7-1947 when the following resolution was passed -

> "Resolved that the question of acquiring the area referred to in the Application could be taken up along with the proposed Scheme for the area and that the request of the applicants for grant of sites in the area be considered when the lay-out was formed and that an endorsement be issued to the President of the Menial staff Association accordingly."

An endorsement to this effect was also issued to the President of the Mysore Government Menial staff Association, Bangalore in this Office Memo No 379/47 dated 4th August 1947.

The representation received with your Memo

P T O

Memo under reference is herewith retransmitted.

I have the honour to be,
Sir,
Your most obedient servant,

CHAIRMAN.

Date 28th November 1947

The Prime Minister,
Government of Mysore,
Bangalore

Respected Sir,

We the members of the above Association most humbly and respectfully beg to bring the following few lines to your kind and sympathetic consideration with a view that our humbly prayer would meet with success

We beg to bring to your kind notice that the City Improvement Trust Board are alloting sites to the menial staff of our Benign Government of His Highness the Maharaja of Mysore and hence we are submitting this to you

In this connection we may be permitted to mention here that the salaries that we are deriving is too insufficient to maintain our families after paying the house rents.

We submit that the menials working in the hospitals have already submitted their applications to your goodself on 5th July 1947 requesting therein to allot them sites near Sivaji Talkies or near Mysore Road which are near to their hospitals and in their application they have clearly explained their difficulties. We submit that the sites to the hospital staffs may be given in the above localities.

Secondly we submit that the land situated between Rajamahal Guttahalli and Seshadripuram may kindly be acquired and given to us after concerting the same into building sites as this locality is very near to our Government offices. Hope that our humble prayer would meet with success and begging to be excused for the trouble.

For which act of kindness and timely help we shall ever remain grateful.

We beg to remain,
Respected Sir,
Your most obedient servants,
Members of the Association.

1 Minimum Salary:-The salary that we the menials of Government are getting at present is low In these hard days what we are getting is barely sufficient to exist Therefore, we earnestly pray that the basic salary of the menials be fixed as follows Peons Rs 30/-, Watchies and attenders Rs 50/- Jamedars and daffedars Rs 40/- and Duftaries Rs 30/-

2 Dearness Allowance - We pray that the same dearness allowance based on the cost of living index given to the Industrial workers may also be given to us

3 Education - Facilities for the education of our children may kindly be provided As the pay we get is hardly sufficient to maintain our families it has been found impracticable to spend any sum towards the education of our children Thus the education of our children has suffered a great deal and many of them have no education at all We therefore request that arrangements not only for their free education but also for their boarding and lodging may kindly be made

4 Living Quarters - We have found it very difficult to own houses particularly in big cities Many of us live in villages which are far away from the main city and we find it difficult to get houses for rents less than Rs 15/- to Rs 20/- We pray therefore that lands between Sheshadripuram and Ramanahal Gottahalli may be alloted to us Similarly sites by the side of Sewage Tanks may kindly be acquired and alloted for the use of menials who are working in hospitals

5 Pension - We get a pension of Rs 3/- to Rs 10/- and this is quite inadequate for the maintenance of our families after retirement from service We request that our pension may kindly be fixed at 2/3 of our pay

6 Uniform - It has been found that only some of the menials in certain departments are given uniform We request all of us may be provided with dress invariably

7 We pray Government to help us in the establishment of a co-operative Society which is a great necessity

8 It has been found that most of the menials are found to be on duty even during Sundays and other General holidays and thus find no relaxation whatever It is requested that with regard to holidays we may be given the same privileges as others

These are only a few of our difficulties which need the immediate attention of the Government and without which we can hardly exist with the little pay we get We therefore request that these demands of ours may kindly be conceded by Government as early as possible

Respected Sir,

On behalf of the Menials Staff Association, we beg to bring the following few lines for your kind consideration and favourable orders.

In one of the memorials submitted to the Government by our Association, we requested the Government to acquire the land lying between Sheshadripuram and Raja Mahal Guttahalli and convert it to building sites, for giving over to the menials of the Government for building houses.

We understand that the City Improvement Trust Board has already divided the land in to shop and building sites as follows.

10' x 25' --- 53 shops sites, 45' x 90' --- 96 building sites and 30' x 45' --- 180 building sites

Mr Ram
Bn
8/4/48

In this connection we beg to submit that all the above sites be converted to building sites of uniform dimensions of 30' x 45' and also acquire the rest of the land adjoining these sites and convert them into building sites of the above dimensions and make the sites available to the Government Menials at upset prices and thus help them to build their own houses and to solve the acute housing problem

We may here add that the sites after they are suitably divided may kindly be handed over to the Co-operative Society of the Association for allotment to the menials and money may be collected from the Society.

For this act of kindness we shall ever remain grateful

We beg to remain,
Respected Sir,
Your most obedient servants,

No 415

Respected Sir,

We are in due receipt of letter No 2799 dated 27th March 1948 from the Town Planning Acquisition officer and noted the contents We are herewith submitting the replies for all the questions asked for therein

The present salary that is now being paid to the menial staff is too insufficient for the maintenance of their families. Hence the housing accommodation should be provided to these menial staff in as much less amount as possible so that it may suit the prupose of these menials We request that the sites may kindly be formed by the Government immediately and the same may be handed over to the possession of the Society so that the society may give the sites to the deserving people and will collect its value in monthly instalment and will remit such collections to the Department concerned The Society members have resolved to construct a building for the society and the place that is suitable for the Society and formation of sites to the menial staff is between Seshadripur and Rajamahal Guttahalli In the beginning it has become essential to have a building for the conduct of the society and as such we request that a suitable site in the said locality may kindly be sanctioned immediately for the purpose, and after the construction of a building for the Society, the working of the same has to be commenced The work and progress of the Society has been handicapped very much without having a building of its own After grant of sites to the menial staff, the building on the said sites will be constructed by obtaining loans either from the Government or from the Bank on the security of the same sites and this loan will be liquidated through the Society by the parties concerned in monthly instalments and after the complete repayment of such loans, the houses will be given to the respective parties as owners Till then the Society will have full control over the buildings and the sites

1) We have no funds in the association for the construction of the houses

2) Our members are willing to pay the amount in monthly instalments of Rs 3/- or 4/- at the most

3) The value of the sites will be remitted to the Government for and on behalf of its members from the Association Co-operative Society It will be impossible to collect the amount by the Government from the members direct

P T O

4) The Association is going to allot sites to the people who have put in a service of five years and above and who have served the Government faithfully so far and also to the people who are residing outside the City limits paying house rents from Rs 8/- to 10/- for the houses which were formerly rented out for Rs 3/- or 4/- at the most and also to the people who are living far away from the place of their appointment.

5) The Co-operative Society will take keen interest in maintaining the sanitation of the colony and also collecting the dues from the members. If any member acts contrary to the rules, a report against such person or persons will be submitted to the Government for taking further action against such person or persons'

6) The Co-operative Society will take responsibility on their head to see that the members who have been granted sites does not alienate the same in any manner whatsoever till the whole loan is completely liquidated by such member or members The Society is always willing to follow the decision of the Government in this direction

We beg to remain,
Respected Sir,
Your most obedient servants,
MEMBERS OF THE ASSOCIATION.
A Ramaiah
Secretary

11 MAY 1948
MUNICIPAL BRANCH

Rl 158-48-13

Sir,

Adverting to your letter No.L 16016 dated 21-4-48, I have the honour to state that the menial staff of the several departments of Government in the Bangalore City numbering several hundreds have been agitating for sites While there is no exclusive layout for this class as such, in the bigger extensions that are being formed by the Trust Board small sites of 30' x 50' are provided wherein sites could be provided for this class, and - which as a matter of fact is meant for them Smaller sites of - 30' x 20' for labour and middle classes are provided in the housing area of the Industrial Suburb. Such of them who would like to have sites here can well be provided.

2 But they want sites as near the Offices as possible, and it is obvious that in the areas which they want, the acquisition costs would be so heavy, that it will be beyond their - capacity to pay. If however Government subsidise the Scheme it will be possible to make small sites available at the rates at which they are capable of paying

3 It may be stated as a general rule that if the extension Schemes are to be self-supporting and at the same time the sites to the poorer classes should be given at upset rates, the lowest will be not less than Rs 2/- a Sq.yard for the smaller sites in the Kankanapalya area and in the Industrial Suburb -

P T.O.

Housing area which are being laid out. In the areas within the City proper i.e. in Malleswaram and Seshadripuram the rate will be Rs.4/- to Rs 5/- a Sq.yard having regard to the importance of the locality, cost of acquisition and layout. Small sites have however been provided in the area also. The area to the east of the Jayachamarajendra Road will be even more costly.

The Trust Board has resolved at its Meeting of that as regards the area of Vyalikaval instead of going through all the procedure laid down in the Trust Board Act, the development and layout may be taken as a Government Scheme and the same be entrusted to the Trust Board, action being taken for the acquisition of the properties under Section 17 of the Land Acquisition Act, the necessary funds placed at the disposal of the Board and all the realizations from the sale of sites will be credited to Government Plans and estimates with details of S Nos. etc , to be acquired are under submission to Government.

Cheap thatti houses as in Mysore or houses of similar other types and designs may also be constructed. The cost of each house will perhaps be about Rs.1,500/- with site value.

I have the honour to be,
Sir,
Your most obedient servant,

CHAIRMAN,
City Improvement Trust Board,
Bangalore.

No. 233 H.S.-6 Office of the City Improvement Trust Board,
"Ranga Vilas", Seshadri Road,
Dec: Bangalore, Dated the 19th October 1947.

To

Janab Syed Abdul Aleem, I.A.S.,
Secretary to Government,
Revenue Department,
BANGALORE.

Sir,

Subject: Scheme for formation of a Residential layout in Vyalikaval area, Bangalore City and Jodi Ranganathpur (Rajamahal Guttahalli).

1) A scheme for the formation of a layout in the above area has been under the contemplation of the Board since 1946. The question started at the instance of the Revenue Commissioner (Vide his letter No.3040/45-46 dated 5th December 1945) regarding several amenities to the Adikarnataka residents of Rajamahal Guttahalli. The spot was also inspected by the members of the Board in February 1946. At the meeting of the Board held on 23-2-1946 this question was considered and it was resolved that the land recommended by the Revenue Commissioner was within the area for which the Board was preparing a comprehensive scheme and that in the scheme due provision would be made for housing the Adikarnatakas also.

2) A layout plan was prepared and placed before the Board at its meeting held on 30-9-1947, for the Seshadripuram — Palace Guttahalli area. While approving of the plan prepared for this area, it was further resolved by the Board "That the comprehensive plan for the entire area between Sankey's Tank bund and Seshadripuram be expedited and plans put up for the consideration of the Board early."

3) After detailed survey, the comprehensive layout plan for this area was prepared, and got ready about February 1948. At the meeting of the Board held on 28-2-1948, the plan prepared in accordance with the surgestions of the members in the previous

P.T.O.

meetings of the Board was placed for consideration. After examining it, as also the plans for Palace Guttahalli Extension the Board approved of the plans for Vyalikaval, and the plans with estimates for Rajamahal Guttahalli which was slightly modified.

4/ The Palace Guttahalli Scheme was taken as a Trust Board Scheme and was notified under Sections 14 and 16 of the City of Bangalore Improvement Act and objections called for. The scheme will be submitted to Government for sanction under Section 17 of the Act separately.

5/ In the meanwhile, the detailed estimates for the Vyalikaval area were prepared. The Minister for Finance and Industries inspected the place in March 1948, and expressed the view that the area should be immediately taken-up and acquired and small sites formed with necessary amenities.

6/ In view of these facts it was subsequently felt that if all the formalities under the provisions of the Trust Board Act, were to be observed, it would take a long time for getting possession of the lands and forming the Extension As the scheme was one of a very urgent nature, in view of the insistent demand for sites by Adikarnatakas in the locality and of the fact that many unauthorised constructions were springing up in the area without regard to any sanitary principles, or other conditions, it was decided at the meeting of the Board held on 8-4-48 that the scheme so far as it related to the area now in reference might be taken up as a Government Scheme and Section 17 of Land Acquisition Act be applied as in the case of the Industrial Suburb.

7/ The Board resolved -

> "That the proposals contained in the office note be approved and that Government be requested to take steps under Section 17 of Land Acquisition Act in view of the extreme urgency of opening up this area and forming sites, Government being further requested to entrust the work of forming the layout to the Trust Board".

It was further resolved -

"That further steps be taken to acquire the lands and properties for the formation of the main and link roads and also for widening of the pipe line road to a width of 80'."

8) The proposed layout, as detailed in the report of the Engineer Officer appended, is bounded on the north by the Palace Orchard Lands, on the South by Parsi Cemetry - the abandoned burial ground and Swimming Pool Extension -, on the east by the existing Venkatrangapuram Extension and on the West by Kodandarampuram Extension, also bounded by Seshadripuram - Guttahalli Road, Sankey's Road, and Seshadripuram Link Road as per previous resolutions of the Board.

9) The area proposed for the layout is about 76 9 acres in extent and comprises mostly of lands belonging to Vyalikaval and Jodi Ranganathpur villages. The old weir halla of Sankey's Tank separates the proposed extensions with the existing Venkatarangapuram Extension. On the Western border, the badly cut up ground has fixed the limit of the extension. The layout therefore has been confined to as much of the flat and good land as is available within the bordering halla and the cut up country. And it has been worked out so as to fit in with the developed adjacent areas and features.

10) In order to provide shorter and direct approach from Kumara Park West, Palace Guttahalli, and Seshadripuram Extension to the main Sankey Road, which now form part of the Bangalore - Tumkur Road, an 80' wide road is proposed to run north to south across the extensions. This road when extended south is proposed to join the continuation of the 100' road in the Malleswaram Extension. To the east and west of this important road, roads of smaller width varying from 30' to 40' according to their importance, are proposed to run parallel to and at right angles to this road.

11) In between these, house sites of dimensions, varying

P.T.O.

from 30'x 45' to 45' x 90' have been proposed. The low lying and deep pit portions have been isolated with a view to develop them into Parks and gardens and play grounds. Provision has also been made for markets, shops etc.

12) Out of the total area of 76 9 acres of land for this layout, about 21 17 acres form the area of sites. About 8 acres are covered by roads. About 11.86 acres are set apart for markets, parks, and other civic amenities. The low lying and deep pit portions cover an area of 19.35 acres which will be developed into parks, gardens, playgrounds etc , in due course of time. For the development of the existing Adikarnataka colony an extent of 2.6 acres of land out of this layout is also set apart. An area of 4 acres will be set apart in a suitable portion, for schools and play grounds to be ultimately sold to the Education Department

13) Provision has been made to form 468 building sites of 30'x45', 66 building sites of 45'x90' and 116 shop sites of 10'x20'.

14) The total cost of the scheme is estimated at Rs.7,77,740/- as per detailed estimates enclosed. This includes the cost of acquisition of lands, the layout charges and charges for water supply arrangements and laying sewer lines to serve the several houses that might be built in this extension.

15) For purposes of calculation, the acquisition charges are estimated at Rs.4,000/- per acre for all dry lands and at Rs.1,000/- for kharab lands owned by private individuals due to the close proximity of these lands to the City. Other properties on the land such as wells, structures etc., have been individually valued at the current prevailing rates and it amounts to Rs.1,84,520/- including the usual

15% statutory allowance, though these structures are unauthorised as the Municipality has not granted license for their construction.

16) A provision of Rs 1,320/- is also made towards the value of 33 guntas of Palace Garden Lands required to be acquired for continuing the 80' main road to join Salem-Bellary Road near the waste weir of the Sankey's reservoir.

17) The estimate for laying out roads etc , is based on the current schedule of rates.

18) A lumpsum provision of Rs.1,20,150/- has been made in the estimate on a per capita basis of Rs 45/- for 2,670 persons to be housed in the extension at 5 persons per site.

19) In view of the close vicinity of the area to the City, sites in this locality are expected to fetch high prices. The total realisation by the sale of sites is expected to work out to Rs 8,66,736/- as against the estimated expenditure of Rs 7,77,740/- as per detailes furnished in the enclosed report of the Engineer Officer, which yields a net profit of Rs 88,996/- which will go to cover any unforeseen charges during the execution of the scheme.

20) Though the scheme is self supporting, it may be stated that it cannot be measured in terms of profit and loss in view of the fact that it is more a scheme of slum clearance in the area and formation of a fresh layout to prevent unauthorised and insanitary constructions, springing up.

21) It is for this reason, it was considered by the Board that the scheme should be taken up as an urgent Government Scheme and action taken to acquire the lands under section 17 of the Land Acquisition Act and the scheme entrusted to Trust Board for execution, the expenditure being met from a special grant "under 30 grants public improvement 11 Bangalore

P T O

Bangalore City Improvement Trust Funds", to be sanctioned by Government. The realizations from the sale of sites will be credited to the Government.

22) Draft notifications in respect of properties to be acquired under Sections 4 and 6 read with Section 17 of the Land Acquisition Act prepared by the Land Acquisition Officer are also submitted herewith.

23) I request that in these circumstances that sanction of Government may kindly be obtained to the scheme very early as resolved by the Board, a sum of 2 lakhs being granted separately for this purpose for the current year, and the same communicated for taking necessary further action.

24) If the proposals of the Board are sanctioned by Government, steps may also be kindly taken to have the enclosed draft notifications published in the Mysore Gazette.

25) The enclosures as per list appended accompany.

Yours faithfully,

C.N. Narasimha Rao

Read - ML 69-48-15

Correspondence ending with letter No G 242/48-49 dated 27th October 1948 from the Chairman, City Improvement Trust Board, Bangalore, forwarding a scheme for the formation of a layout in the Vyalikaval area, Bangalore

2 Letter No L 1109/ML 69-48-10 dated 28th ~~Feb~~ March 1949 from the Secretary to Government, General Department, to the Chairman, City Improvement Trust Board, Bangalore, directing that the work pertaining to the formation of roads, sites etc , in respect of the scheme referred to above may be taken up immediately

3 Government Order No L 11100-6/ML 69-48-11 dated 28th March 1949 sanctioning the acquisition of properties required for the scheme in question

---

ORDER NO L 630 6/ML 69-48-15

Dated, Bangalore, the 15-7-49

The Chairman, City Improvement Trust Board, Bangalore has submitted a scheme for the formation of a residential extension in the Vyalikaval area, Bangalore, for the benefit of the members of the menial staff employed in the Government Departments and for providing building sites to the Adikarnataka residents of Rajamahal Guttahalli The cost of the scheme is estimated at Rs 7,77,740/- and an area of 76 9 acres is proposed to be acquired, comprised of lands belonging to Vyalikaval and Jodi Ranganathapur Villages, in the Bangalore North taluk and also includes thirty-three guntas of Palace garden lands in the area

In the proposed layout, provision is made for

for the formation of 468 building sites of 30'x 45' each, 66 building sites of 45' x 90' each and 116 shop sites of 10' x 20', apart from the space reserved for markets, parks, playgrounds and schools As sum of Rs 8,66,736/- is expected to be realised from the sale of sites in this extension as against the estimated cost of Rs 7,77,740/-, which includes provision towards acqusition charges, and for the main works such as water supply, under-ground drainage etc ,

Having regard to the urgency of forming residential extensions in Bangalore City on account of the scarcity of houses, Government are pleased to accord sanction to the following proposals -

1. To take up the scheme as a Government one,
2 To acquire the properties required (except that of the palace) under Sec 17 of the Land Acqu Act,
3 To take separate action in regard to the proposal to acquire the Palace properties, and
4 To take up the work pertaining to the formation of roads , drains, sites, etc , in the layout, pending sanction to the detailed estimates of the scheme

The Chairman, City Improvement Trust Board, Bangalore, is requested to get the detailed estimates for water supply and undergound drainage works, sanctioned separately, before the respective works are taken up

As regards the works already ordered to be executed i e , formation of roads, sites. etc , under no circumstances, rates higher than those obtaining in the Public Works Department from time to time, should be paid

Separate proposals may be submitted for the consideration of Government for the proposed acquisition of properties belonging to the Palace

The cost of the scheme during the year 1949-50 will be met out of the provision of Rs 20,00,000/- made in the State Budget for the current year ~~1948-50~~, under "Advances--for the formation of extensions "

Correspondance ending with letter No.C.242/48-49 dated 27th October 1948 from the Chairman, City Improvement Trust Board, Bangalore, asking forwarding a scheme for the formation of a layout in the Vyalikaval area, Bangalore.

2. Letter No.L.1109/RL.69-48-10 dated 26th March 1949 from the Secretary to Government, General Department, to the Chairman, City Improvement Trust Board, Bangalore, directing that the work pertaining to the formation of roads, sites etc., in respect of the scheme referred to above may be taken up immediately.

3. Government Order No.L.11100-6/RL.69-48-11 dated 29th March 1949 sanctioning the acquisition of properties required for the scheme in question.

ORDER No.L. 630-6/RL-69-48-15

Dated, Bangalore, the 18 7 49

The Chairman, City Improvement Trust Board, Bangalore has submitted a scheme for the formation of a residential extension in the Vyalikaval area, Bangalore, for the benefit of the members of the menial staff employed in the Government Departments and for providing building sites to the Adikarnataka residents of Rajamahal Guttahalli. The cost of the scheme is estimated at Rs.7,77,740/- and an area of 76.9 acres is proposed to be acquired, comprising of lands belonging to Vyalikaval and Jodi Ranganathapur Villages in the Bangalore North Taluk and also including thirty-three guntas of Palace garden lands in the area.

In the proposed layout, provision is made for the formation of 468 building sites of 30' x 45' each, 66 building sites of 45' x 90' each and 116 shop sites of 10' x 20', apart from the space reserved for roads/roads, parks, playgrounds and schools. A sum of Rs 8,66,736/- is expected to be realised from the sale of sites in this extension as against the estimated cost of Rs.7,77,740/-, which includes provision towards acquisition charges, and for the main works such as water

supply, under-ground drainage etc.,

Having regard to the urgency of forming residential extensions in Bangalore City on account of the scarcity of houses, Government are pleased to accord sanction to the following proposals:-

1. To take up the scheme as Government one;

2. To acquire the properties required (except that of the Palace) under Section 17 of the Land Acquisition Act;

3. To take separate action in regard to the proposal to acquire the Palace properties, and

4. To take up the work pertaining to the formation of roads, drains, sites, etc., in the layout, finding sanction to the detailed estimates of the scheme.

The Chairman, City Improvement Trust Board, Bangalore, is requested to get the detailed estimate for water supply and underground drainage works, sanctioned separately before the respective works are taken up.

As regards the works already ordered to be executed i.e., formation of roads, sites, etc., under no circumstances rates higher than those obtaining in the Public Works Department from time to time, should be paid.

Separate proposals may be submitted for the consideration of Government for the proposed acquisition of properties belonging to the Palace.

The cost of the scheme during the year 1949-50 will be met out of the provision of Rs.20,00000/- made in the State Budget for the current year, under "Advances-for the formation of extensions."

Residential Extension

Sanctions a scheme for the formation of a — in the Vyalikaval area, Bangalore

READ—

Correspondence ending with letter No G 912—48 49 dated 27th October 1948 from the Chairman City Improvement Trust Board Bangalore forwarding a scheme for the formation of a layout in the Vyalikaval area Bangalore

2 Letter No L 1109—Ml 69 48 10 dated 28th March 1949 from the Secretary to Government General Department to the Chairman City Improvement Trust Board Bangalore directing that the work pertaining to the formation of roads sites etc in respect of the scheme referred to above may be taken up immediately

3 Government Order No L 11100-6—Ml 69 48 11 dated 29th March 1949 sanctioning the acquisition of properties required for the scheme in question

ORDER No L 630 6—ML 69 48 15, DATED BANGALORE, THE 18TH JULY 1949

The Chairman, City Improvement Trust Board, Bangalore, has submitted a scheme for the formation of a residential extension in the Vyalikaval area, Bangalore, for the benefit of the members of the menial staff employed in the Government Departments and for providing building sites to the Adikarnataka residents of Rajamahal Guttahalli The cost of the scheme is estimated at Rs 7,77,740 and an area of 76 9 acres is proposed to be acquired, comprising of lands belonging to Vyalikaval and Jodi Ranganathapur Villages in Bangalore North Taluk and also including thirty three guntas of Palace garden lands in the area

In the proposed layout provision is made for the formation of 468 building sites of 30 × 45′ each, 66 building sites of 45 × 90 each and 116 shop sites of 10 × 20 apart from the space reserved for markets, parks, playgrounds and schools A sum of Rs 1,66,736 is expected to be realised from the sale of sites in this extension as against the estimated cost of Rs 7,77,740, which includes provision towards acquisition charges, and for the main works such as water supply, under ground drainage, etc

Having regard to the urgency of forming residential extensions in Bangalore City on account of the scarcity of houses, Government are pleased to accord sanction to the following proposals —

1 To take up the scheme as a Government one ,

2 To acquire the properties required (except that of the Palace) under Section 17 of the Land Acquisition Act ,

3 To take separate action in regard to the proposal to acquire the Palace properties, and

4 To take up the work pertaining to the formation of roads, drains, sites, etc , in the layout, pending sanction to the detailed estimates of the scheme

The Chairman, City Improvement Trust Board, Bangalore, is requested to get the detailed estimates for water supply and underground drainage works, sanctioned separately, before the respective works are taken up

As regards the works already ordered to be executed *i e*, formation of roads sites, etc , under no circumstances rates higher than those obtaining in the Public Works Department from time to time, should be paid

No L 630 6—ML 69 48 15, DATED 18TH JULY 1949

Separate proposals may be submitted for the consideration of Government for the proposed acquisition of properties belonging to the Palace

The cost of the scheme during the year 1949 50 will be met out of the provision of Rs 20,00,000 made in the State Budget for the current year, under "Advances—for the Formation of Extensions"
